

WOMEN'S HOME

Summer 2024

New Life recently held its first two baptisms in the pond! What a blessing to witness lives transformed and committed to the Lord. It was a beautiful day, so many people came out to celebrate with us.

***We serve a God who redeems our life from the pit and crowns us with lovingkindness and compassion (Psalm 130:4).*** When a life changes, that life has the potential to impact change in others. There is a new perspective on life, a kingdom perspective, that we are no longer our own but have been bought with a price and so now strive to glorify God in all we do and say.

**Thank You** for being a part of our team through your prayers, support, and encouragement. It is such a blessing to be a part of God's kingdom work, knowing that lives are being saved from the devastating affects of addiction through the power of God's love and truth. People can be set free, we serve a God who is more than able to break through the darkness, as 2 Timothy 1:7 says, ***"for God gave us a spirit not of fear but of power and love and self-control."***

*"But you Lord saved me from the pits of hell and brought me into your loving arms and I give you my life. I want to fully surrender to you."  
~ Brook*

*"But most importantly I'd like to thank the Lord Jesus Christ for saving me from myself, for redeeming my life from the darkness, for cleansing my soul. Thank you for teaching me how to abide in you Lord."  
~Brianna*

*"For all of you who were baptized into Christ have clothed yourselves with Christ."  
Galatians 3:27*

For even the Son of Man did not come to be served, but to serve, and to give His life as a ransom for many. ~ Mark 10:45

## Serving in Community

Community and serving was a theme in the ladies recent insights. They have had the opportunity to serve in a number of communities. From planting trees for Quinte Conservation, serving at the Friendship BBQ, working on the Maranatha gardens, decorating for VBS at Hastings Park and preparing and serving lunches at New Life for a number of different functions, they have been blessed through serving others.

We've also experienced the generous hospitality of others, we had a beautiful day on July 1st kayaking, canoing and fellowshiping with some local church friends. For anyone who has been lost in the darkness of addiction, isolated and alone, to be present and enjoying the beauty of God's creation and fellowship with others is a wonderful thing.

**We invite you to consider becoming a Monthly Partner.** We are now in operation with a full program and staff team, increasing our monthly expenses. Please see response slip for details to learn how you can partner with us.

**Again, thank you for being part of what makes New Life Women's Home possible.** Our dorm is now complete and we have space to help more women. Please pray for those caught up in addiction that they would seek help. For some, it is hard to believe that life can be any different but we are witness to the fact that lives can change and be set free. There is hope!

Have a wonderful summer season with family and friends.  
Blessings,

*Martin & Tina*
